Vintage Trophy Grade Zebra Hide Rug Genuine Zebra Rug, Grade A with Felt Backing Normal Imperfections as Expected from Age and Normal Use Circa 1980's

Zebra is legal to export to any country in the world and is not an endangered species. These hides are from the South Africa Government’s sponsored culls which serve to protect the environment and the health of the population of these herds. The hides are inspected by US Customs and the US Department of Fish and Wildlife. These hides are smaller than average hide and have a few imperfections.
